

# Management Association of Pakistan

September 15, 2011

**Leadership in Action**  
**---AAMO Leadership Journey for Young Managers**  
**4 to 9 December 2011 Macau**

Reference our notification dated 24<sup>th</sup> August 2011 (sent through email and also posted on our web-site) regarding Asian Association of Management Organizations (AAMO's) program "Leadership Journey for Young Members".

MAP was to select two members as per the specified criteria for participation in the aforesaid AAMO program. Seven applications were received at MAP Secretariat for the event. One application, not meeting the criteria, was rejected.

Out of those six applicants meeting the criteria, a lucky draw was held on 12<sup>th</sup> September 2011 at the MAP Secretariat presided by Ms. Saadia Naveed, Vice President MAP. All six shortlisted applicants were invited so that the draw could be held in front of them.

As a result of the draw, the names of the two lucky members are:

1. Mr. Noman Alam Siddiqui and
2. Mr. Muhammad AbuBakar Wyne

MAP Secretariat has informed the two successful candidates to be ready with their arrangements for participation in the AAMO program.

As the program is being conducted to enhance practical knowledge and experience for members in management, it is hoped that the selected candidates will make full use of this opportunity and will also build the image of Pakistan and MAP.

This is for the first time that such an opportunity has been coordinated by MAP with AAMO and MAP looks forward to conduct similar programs in future also for the benefit of our membership.

**Mr. Salah uddin**  
Executive Director
