SUSTAINING A KAIZEN CULTURE ©

A One Day Interactive Workshop by Khalid Latif

4th June 2020 | 10:00 am - 4:30 pm

Royal Rodale Club, Karachi

Overview:

KAIZEN (Continuous Improvement) is a strategy where employees at all levels of a company work together proactively to achieve regular, incremental improvements to the manufacturing process. In fact, KAIZEN combines the collective talents within a company to create a powerful engine for improvement.

The process is not as simple as it looks like! Companies face issues when we talk about sustainability in everything they do, and its not far from truth when we talk about KAIZEN.

Sever questions comes into the minds of KAIZEN practitioners like for example:

What is Sustainability in KAIZEN and why we need?

How everyone, everywhere can practice KAIZEN?

What's the role of leader in making KAIZEN a sustainable project?

To address these questions and many more issues, MAP has organized a one-day interactive workshop on the subject.
