Reference our notification dated 28<sup>th</sup> May 2012 and 28<sup>th</sup> June 2012 (sent through email) regarding Asian Association of Management Organizations (AAMO's) program "Leadership Challenges to Young Members".

MAP was to select two members as per the specified criteria for participation in the aforesaid AAMO program. Three applications were received at MAP Secretariat for the event. One application, not meeting the criteria, was rejected.

An interview session was held on 6<sup>th</sup> July 2011 at 3:30 p.m. at the MAP Secretariat presided by Mr. Amir Jamil Abbasi, Member of the Executive Committee of MAP and including the Executive Director of MAP.

As a result of the interview, the names of the two successful members are:

1. Mr. Ghayas Hasan, Head of Group Benefits Division, EFU Life Assurance Ltd.  
and
2. Mr. Faisal Rauf, Relationship Manager, FWU AG, Pakistan Branch

MAP Secretariat has informed the two successful candidates to be ready with their arrangements for participation in the AAMO program.

As the program is being conducted to enhance practical knowledge and experience for members in management, it is hoped that the selected candidates will make full use of this opportunity and will also build the image of Pakistan and MAP while participating in the AAMO program.

This is for the second time that such an opportunity has been coordinated by MAP with AAMO. MAP looks forward to conducting similar programs in future also for the benefit of our membership.
