One such opportunity is the Young Managers Program launched each year by Asian Association of Management Organizations (AAMO) in collaboration with Macau Management Association (MMA); as you are aware, MAP happens to be a full member of AAMO.

Under Young Managers Program (YMP), a group of young managers explore their leadership journey in Macau & Shenzhen, and share the success experience of the companies in the region including employee engagement, market strategy and building successful corporate culture. Through the journey, the delegates have a wonderful experience of learning, with opportunity for AAMO members to further communicate in the future.

Young Managers 2019 will be held by AAMO in Macau & Shenzhen from **18th to 22nd November, 2019**.

The program is aimed to enhance the participants' knowledge and experience in the areas of building performance culture through a business tour to Macau and Shenzhen. The participants will visit various companies in the region with a focus on sharing the leadership development experience in the areas of strategic thinking, leading change, employee engagement and quality management. A copy of Program is attached for information.
