

Management Association of Pakistan

International Competition of Strategy & Management

ASIAN MANAGEMENT GAME 2021 ONLINE

IN COLLABORATION

WITH “**AAMO**” & “**MMA**”

Register by 1st May 2021

INTRODUCTION

Asian Management Game (AMG) is one of the annual activities of Asian Association of Management Organisations (AAMO), currently organized by Macau Management Association (MMA), which aims at connecting different national management organizations in the Asian Pacific region. For the past two decades, AMG has successfully served as a platform for young managers in the region to learn and exchange from each other. MAP being a member of AAMO, has been nominating MAP member teams for AMG as a value addition for our membership. MAP teams have been reaching the finals & one of the teams ended up as a Runner up team in the past.

PROCESSING FEE:

Group (2, 3 or 5 members of same organization) 5% Discount will be applicable on 2 or more groups.	Rs. 50,000/- +Tax
Individual Person	Rs. 10,000/- +Tax

HOW TO PLAY

AMG will be played over internet in either English or Chinese version. Each National Management Organization (NMO) will nominate up to 2 teams each consisting of 3-5 young managers. The registered teams will be allocated into groups by draw. Each team will in each round be assigned a company for managing its operations and making strategic decisions for a period of five financial quarters. The team that has achieved the best investment performance shall be the winner.

AMG comprises of trial round, semi-final final. After selection of teams and registration by MAP, each team will be required to download from AMG website the background information of the assigned company, which records its past performances and its present position. Decisions surrounding marketing, finance, production and human resources are entered online according to the Game Calendar schedule. At the end of each financial quarter, team will receive a management report from the Game Administrator detailing the latest economic environment and the company's performance reflecting the team's decisions.

WINNER'S PRIZE

- MAP will present Certificate of participation
- Each year a free trip to Macau for a study visit in November is offered to the winning Team. However, due to the uncertainties of the COVID-19 situation, MMA will review whether the trip could be conducted this year
