## TRANSFORM YOUR ORGANIZATION WITH MAP'S CUSTOMIZED/IN-HOUSE TRAINING

To Lead the Change  
Process towards Best  
Management Practices

Understanding your objectives and providing bespoke courses, we believe in quality, convenience and YOUR choice!

### Why Us?

- **It's Cost Effective:** If you have more than 10 people, an In-House training is probably the most cost effective option.
- **It's Convenient:** We can come to a suitable venue on a date that's best for you!
- **Go Customized:** We can apply your policies so that the training is relevant to your staff and create a course just for you by customizing content by assessing your needs and writing it from scratch.
- **Pair up with another organization:** This can mean sharing the experience as well as the cost. Get to know your contemporary organizations and help each other to succeed.
- **Great for team building:** In-House courses present a perfect opportunity to take time out with the whole team; interact and learn together.
- **Annual Training Package:** We can design an annual training package for you, spread over different disciplines e.g. Management skills, Soft skills, HSE, Supply Chain etc. all in one package.

Working with an array of highly qualified trainers, who are experts in their fields and are able and willing to devise personalized courses for your organization, we aspire to enhance your organization's performance.

Our learning and development programs can be delivered in a variety of formats, e.g. lunch and learn, master-classes, bite-sized learning, seminars, and full day workshops; all certified by MAP – whatever works best for you and your organisation.
